

Love Songs and You

by Dwayne Redmond

There's nothing that I wouldn't do "For the Love of You."

"Let's Stay Together."

"Our Love" will be "Always and Forever."

"What We Have Is Much More Than They Can See."

Darling, "You Send Me."

Sometimes I feel "I've Been Here Before," "My Cherie Amour."

"Distant Lover," "I'll See You Next Lifetime."

"My, My, My," I "Never Can Say Goodbye."

"Ooh, Baby Baby," I'm "Day Dreaming and Thinking of You."

Now, "Close the Door" and "Turn Off the Lights."

"Let it Flow."

"I Just Wanna Take it Nice and Slow."

How much do I love you?

I love you "100 Ways" in "Seven Days."

A romantic fool,

That's what I am.

Good morning, my queen.

Listen to the birds sing.

"I Will Always Love You."

You're my "Sweet Thing."

(From the book *A Revelation*.)
